THE IDEOLOGY OF RASHISM

Ukraine, preceded by "Russo-Ukrainian Hybrid War: A Sociologist's Perspective" (2015) and "War of Civilizations: Anatomy of the Russo-Ukrainian Conflict" (2020). "The Ideology of Rashism" explores the spiritual component of Russian imperialism. The author examines rashism as a cultural code of Russian civilization that has remained unchanged for five centuries and poses a threat to international order. The book can be valuable for the academic community, humanities students,

politicians, and activists-anyone seeking a deeper understanding of Putinism and the

reasons behind Russian aggression in Ukraine.

This is the third book by the author dedicated to the Russian war against
